

7 10. The lighting unit as defined in Claim 2, wherein the light-emission surface of said transparent body is a concave face of a hollow truncated cone shape.

11. The lighting unit as defined in Claim 3, wherein the light-emission surface of said transparent body is a concave face of a hollow truncated cone shape.

12. The lighting unit as defined in Claim 2, wherein the light-emission surface of said transparent body is concave face of a bowl shape.

13. The lighting unit as defined in Claim 3, wherein the light-emission surface of said transparent body is concave face of a bowl shape.--

REMARKS

By this amendment, the claims have been revised and multiple dependencies have been eliminated. Examination on the merits of the instant application is respectfully requested.

Respectfully submitted,

Susan A. Wolffe
